

SIDBI has won SABERA - Social and Business Enterprise Responsible Award 2020

SIDBI has won SABERA - Social and Business Enterprise Responsible Award 2020 in two categories namely, “Most Innovative Development Sector Project” and also “Responsible Business of the Year”. The award recognised the responsive, inclusive and impact-oriented engagements being undertaken by SIDBI for inducing entrepreneurship culture under Mission Swavalamban. It also looked at innovative approaches/initiatives which are strengthening the enterprise eco system as also easing financial and non-financial service access to entrepreneurial India through digital bouquet offerings.
